Fall Firearms Season

A person possessing the prescribed fall firearms turkey hunting permit may take not more than one (1) turkey of either sex from Oct. 17 through Oct. 30, 1983. Such turkeys may be taken only by shotgun with shot no larger than BB; without the use of dogs, bait, recorded calls or live decoys; from one-half (½) hour before sunrise to sunset in all counties except: Barton, Bates, Buchanan, Caldwell, Cass, Clay, Clinton, Dade, Dunklin, Gentry, Greene, Jackson, Jasper, Lafayette, Lawrence, McDonald, Mississippi, New Madrid, Newton, Nodaway, Pemiscot, Platte, St. Louis, Saline, Scott, Stoddard, Vernon and Worth.

Such turkeys may be possessed and transported only by the taker thereof and only when tagged immediately with the permit, and must be delivered by the taker with head and plumage intact for inspection and marking by an agent of the commission in the county where taken or an adjoining county not later than 9:00 p.m. CST on the day taken.

While hunting with a shotgun, a hunter may not have a bow in his possession, and any turkey taken must be tagged immediately with the appropriate firearms permit.

Fall Archery Season

A person possessing the prescribed archer's deer and turkey hunting permit may take not more than one (1) turkey of either sex from Oct. 1 through Nov. 11 or from Nov. 21 through Dec. 31, 1983. Such turkeys may be taken only by longbow; without the use of dogs, bait, recorded calls or live decoys; from one-half (½) hour before sunrise to one-half (½) hour after sunset in all counties except: Bates, Cass, Clay, Clinton, Dunklin, Greene, Jackson, Jasper, Lawrence, Mississippi, Nodaway, Pemiscot and Platte.

Such turkeys may be possessed and transported only by the taker thereof and only when tagged immediately with the permit, and must be reported by mail to the Missouri Department of Conservation, P.O. Box 180, Jefferson City, Mo. 65102, within twenty-four (24) hours using the registration tag attached to the permit or, in the case of farmers, by letter or

postcard. The report must include the hunter's name and address, the county where the turkey was taken, and the date taken.

An archer, while in the act of pursuing or hunting turkey on an archer's permit, shall not have a firearm on his person.

General

A farmer as defined below may, without holding a turkey hunting permit, take and possess turkey in accordance with this rule on his farm, but he shall tag such turkey with his name and address and the date immediately upon taking and shall personally deliver such turkey for checking during the firearms seasons and, during the archery season, shall report such taking by letter or postcard, as required herein.

A farmer is defined as follows: Any Missouri resident who is an owner of lands he personally and physically operates primarily for agricultural purposes, the lessee or operator residing on such lands, or any member of the immediate household of such owner-operator or resident lessee or operator.

Any person who kills or injures any wild turkey shall make a reasonable effort to retrieve such turkey and include it in his season limit.
